Purchasing Power
Group buying for Canadian members

We have a lot in common

We serve with purpose
We are a government agency powered by statute to serve our public-sector membership. Our employees are passionate about service and committed to helping our members succeed so they can fulfill their own public service missions. We invest in regional programs and North American partnerships benefiting our members.

We are independent
As a self-supporting government agency, we, with oversight from our board of publicly elected officials, are able to develop timely, market-driven solutions for members. Not beholden to shareholders, we move decisively to serve members.

We are trailblazers
We are a market leader with a track record of innovation and growth across all services. Our strong buying power and solid reputation help us bring world-class brands, and well-regarded programs to our membership.

We pay attention to the fine print
We have standardized our processes and technology around best practices and value the same high procurement standards you have for your team.

We value our relationship with you
We want our relationship with you to last. We are committed to understanding your needs and providing the comprehensive selection of solutions that will make you successful today and long into the future.

Welcome to Sourcewell
We understand the value of buying groups, as well as the importance of providing the best solutions for our members.

As a service cooperative,* Sourcewell holds competitively tendered cooperative contracts ready for use by government, education, MASH sector, and nonprofit entities. Group buying is bringing buyers and suppliers together for efficiency and savings.

*Sourcewell is a service cooperative created to provide programs and services to members in the government, education, and nonprofit sectors. Its statutory purpose is to assist members in meeting specific needs which are more efficiently delivered cooperatively than by an entity individually. Minn. Stat. § 123A.21, subd. 2.

Sourcewell satisfies your competitive process

- BOD authorizes the RFP category
- Draft and publicize RFP
- Pre-proposal conferences followed by receipt of time-bound sealed responses
- Evaluation of responses; recommendation of CPO
- Vendor debriefs
- Awarded vendors; post and review approved contract documents

We want to be your guide.
