United Rentals # 091615-URI

Pricing for contract # 091615-URI is provided at a national, “not-to-exceed” rate per category and class of equipment. United Rentals does not maintain a published list rate as such a specific discount cannot be calculated. The pricing offered is calculated utilizing input from regional pricing, local and national market conditions and anticipated rental spend, developed specifically for NJPA member stakeholders. Pricing is established by a Category-Class listing within the United Rentals system. Our pricing offered TAB F is ceiling based pricing – Not To Exceed, where our branch network will not be allowed to charge higher rates. The pricing does allow for a downward market flex and pricing can be lowered.
