

To Your Advantage: Purchasing with Carolina[®] Science

Carolina is your Sourcewell-contracted vendor of Science Supplies and Equipment.

We leverage nearly 100 years of expertise to consistently provide high-quality science supplies and resources to educational, scientific, and health care communities.

As your Sourcewell-contracted vendor for Science Supplies and Equipment, here are 6 ways we can deliver value for your teachers:

1. **Selection**—We have an extensive selection of the science education materials you need, including living and preserved materials, equipment and safety supplies for your labs, cultures, models, media, and more!
[See the entire selection.](#)
2. **Fast Response**—Our on-site customer service, order processing, and shipping provide you with a fast response to your needs.
3. **Online Ordering**—Order online at [Carolina.com](#). It can save you time and money while increasing order accuracy.
4. **Sole Source**—We're your sole source of products such as specimens prepared with Carolina's Perfect Solution[®], a safe, non-toxic preservative that can dramatically improve dissection quality.
5. **Discount**—You're eligible for up to a 10% discount on purchases at [Carolina.com](#) when they are linked to your Org. ID. (No discount is applicable on Smithsonian Science, Building Blocks of Science[®], and Carolina Distance Learning[®] products.)
6. **Free Freight**—Your orders of \$250 or more qualify for free freight, excluding drop ship and curriculum items, when linked to your Org. ID.
